

FCA 24-HR Indoor Track Run

This event is a low-key, entrant limited event with the purpose of raising funds to support the work of the Fellowship of Christian Athletes with Liberty University's women's D1 coaches and athletes. It is a unique opportunity for runners or walkers to test their limits in circling the beautiful indoor track at Liberty University.

Individuals may choose to run/walk for an assigned time. Or, teams of unspecified numbers may form to divvy up the 24-hr time frame. This can create a great all-night, all-day bonding event! (Only one team member at a time on the track.)

To participate, it is recommended that **each** individual raise or donate a minimum of \$50. With a goal of raising \$8000, all of which goes to support FCA efforts at LU, each participant is asked to solicit donations from family and friends to help with the fundraising effort. Based on the amount raised by each individual, Ultraspire hydration gear can be earned. (See details below.)

WHEN: March 15 at 7:00 p.m. to March 16 at 7:00 p.m. Lower level doors (Athlete entrance) open at 6 p.m. Friday evening. Pre-race instructions will be given at 6:30 p.m. Friday evening.

(Available online or at any office supply store for about \$5.00) There will be some lap counters available on a first come, first serve basis.

FUND-RAISING: Download and print the Donation Form. Enter the required information and, if possible, collect the donated check or have the donor enter the donation online per instructions **before** the event. This form, along with collected funds, will be turned in at the event.

Because there are limits on the number of runners allowed on the track at any one time, assignments of time will be on a first come-first serve basis. Once the email is received, a confirmation of the assigned track time will be emailed back to you.
